Student Safety Did You Know...

- ✘ The school doesn't have handicapped access.
- ✘ It needs a sprinkler system in the event of a fire.
- ✘ Breaker boxes from the 1950s are used instead of regular light switches.
- ✘ Elementary students don't get physical education every day because there's not enough gym space.

WANT TO SEE FOR YOURSELF?

If you are interested in seeing how overcrowded the school currently is and getting a first-hand look at the needed improvements, please join us for a school tour. Available Mon - Fri
